

To whom it may concern

Dear,

Company Montavar d.o.o. Beograd have production of machine tools, welded steel constructions, provision of machine treatment services, design and production of machine equipment, as well as spare parts for hydro and thermal power plants.

We writing this document to recommend the services of the Mr. Milan Barackov and Norimport Trading AS, Oslo Norway. We have been using Norimport Trading AS services for the past four (4) years, and have always been completely satisfied.

Norimport Trading AS do an excellent job, through linking our company with Norwegian partners and clients. We have also hired them on occasion for extra jobs.

We sincerely recommend the services of Norimport Trading AS. If you have any questions, feel free to contact me.
